<http://www.swag.org.au>

Dear Parents,

On Tuesday 6th September, SWAG will be having an Astronomy night at the Sutherland Astronomical Society Inc.

The Green Point Observatory is located off Green Point Road, Oyster Bay (just past the corner of Caravan Head Road).
Look for a park on the left, adjacent to a Telstra public telephone box. Follow the pathway through the reserve for 50 metres, past the Scout Hall, and you will arrive at our silver-domed Observatory and Meeting Hall.

SWAG will be meeting at the Observatory at the usual times of 6:30pm and pick up at the same place at 8:30pm.
Because the Observatory is a little walk through the park, SWAG will meet at the roadside and walk down together.
Please note: We will NOT be meeting at Penshurst.

The additional cost for this activity is \$5 per person.
Families are welcome to attend as well.

As some of this activity is in the open air - It is advised to bring jumpers, etc.
Uniform is not required – but please wear SWAG jumper and cap (if you have one).

If you would like your child to attend but would have a problem with transport, please let one of the SWAG Leaders know and we can make alternative arrangements.

From
the SWAG leadership
your servants in Christ
