Yes it's that time of year again. The bad news is that this is the last night of SWAG for the year but the good news is the Bs. We always have a great time at Kempt Field to finish the year so make sure the boys are there. We will finish around dusk.

As always, thanks for entrusting your sons into our care. We have had a great year and appreciate the opportunities we have had to help them as they grow and have enjoyed being a part of their lives. May God richly bless you over the Christmas season and keep you safe till next year.

From

the SWAG leadership team
your servants in Christ.

PS

Don't forget the dinner that Andrew Lim has been organising, we hope that we will all share in a great evening.
