Dear Parents,

Here we go again for another term of SWAG. We have some great things planned this term. The devotions are focusing on great men of the Bible. Both divisions will be doing some cooking – always a favourite with the boys. On another Tuesady night we are having a night walk to see what nocturnal creatures we can spot.

Lets take all the activities in chronological order:-

- 15th and 16th May - Standing Camp. On most of the camps lately fathers have joined us. While we appreciate your company and friendship we feel that it is good for the boys to be free of the watching eyes af dad and so we are restriciting this camp to boys and leaders only. Don't worry, we are just conscious that boys need to be boys at times and sometimes we dads cannot help being dads. A specific note with all the details will follow soon.
- On Saturday 5th June we are having a combined walk ride day. Division 2 will have a mountain bike ride and Division 1 a day walk. We will start at different points, meet up for lunch, then go our separate ways to the train station. You are welcome to join us with whichever one suits you, or just come for lunch.
- Tueasday 15th June is the night walk. We will meet at normal time but will probably arrive back leter than usual. No uniform is needed. We plan to walk in the East Heatcote area, more details to come.
- Sunday 20th June at the morning service will be a regular church parade. This is just showing ourselves off to the church, keeping them informed of what we get up to. Church starts at 9.30am but we would like the boys to arrive around 9.00am. This will be at Hurstville Church, cnr McMahan St and Park Rd. We would greatly appreciate your support at this one.
- If you have not yet paid your fees for 2004, consider this a reminder. As for last year the fees are \$60, or if you have more than one son attending it will be \$50 each.

We are putting in another order soon for Jumpers and adding beenies to the range. So if you need a jumper or would like a beenie let us know by week 2.

Beenies -\$10, Jumpers - \$25(kids), \$35(adults)

Thanks for entrusting your sons into our care. We are aware of the opportunity it is to help them as they grow and enjoy being a part of their lives. Don't forget to tell your friends and bring their children along too, but please remember that the boys need to be **8 years old**. (we find we are not able to properly cater for children younger than this).
