New SWAG members

It has been great to welcome a few new boys into SWAG this year. We will be holding a special parade to invest our new boys into SWAG on the 22nd of May.

More information for the families involved will be distributed during the first weeks of term.

Bike-a-thon sponsorship:

If your son has collected sponsorship money from the bike-a-thon last term, please bring this money into SWAG on the first night of term.

Once we have collected all the money we will total the amount and begin considering how SWAG can best use the funds.

Membership forms and fees:

Please remember to return your son's membership form and fees in a labeled envelope as soon as possible.
